Breaking News concerning the States of Jersey Co-Funded Payroll Scheme | 1

Further to our post on Wednesday (8 April), please note that the Jersey Government are currently announcing details of an extension of financial assistance under Phase 2 of the Co-funding payroll scheme. It seems that the eligibility to qualify is being softened and the Scheme is being applied to additional sectors. An additional ray of hope for the Easter weekend.

The Voisin Law Employment Team (Dexter Flynn and Stephanie Habin) will keep you posted.
